# IFLA International Newspaper Conference 2014

By Mazelan bin Anuar

**Theme:** Start Spreading the News!

**Date:** February 4-5, 2014

**Venue:** FamilySearch Headquarters, Salt Lake City, Utah

The IFLA Newspapers Section invites poster session proposals for the mid-year International Newspaper conference which will be held in the United States, in Salt Lake City, Utah. The theme of the conference is "Start Spreading the News!"

The conference will explore themes related to outreach and marketing strategies for using or promoting online newspaper content, text mining, users of newspaper content, and use of news content for research purposes or as primary sources for historical, genealogical or contemporary topics. Poster sessions may present a report of a research study, an analysis of a practical problem-solving effort, or a description of an innovative programme or workflow.
